CIG Information Delivered to FBI

1. In the past [redacted] FBI liaison officer, has been collecting the Dissemination Branches of both OCD and OSO daily to pick up CIG items of information of interest to FBI. These items are delivered, reference to source, using a separate memo for each item.

2. To centralize this collection and to eliminate undesirable duplications, arrangements have been made with OSO that hereafter items picked out of OSO sources will be forwarded to OCD (Attus coordination with OCD items, and for combined delivery to [redacted] exception to this rule will be those items for which time is of the essence which will be processed by OSO directly to FBI by the most expeditious available. In such cases OSO is requested to provide OCD a copy when direct action taken.

3. The Dissemination Branch, OCD, will make appropriate arrangements with [redacted]
